

# FIVE HUNDRED BOYS OF 89TH ON WAY HOME

Men from Overseas Are Due To Arrive at El Paso This Afternoon and Will Be Demobilized in Few Days

Five hundred Arizona men are on the train bearing members of the 89th division toward Fort Bliss, demobilization, and home-coming, according to a telegram received yesterday by B. W. Gotsinger from his son, Capt. J. W. Gotsinger, one of the officers in charge of the train.

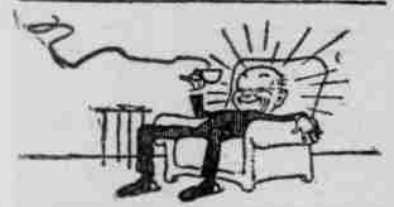

The wire further states that the men are due to arrive at El Paso about 3 o'clock Thursday, instead of on Friday, as had been previously announced. Captain Gotsinger states that "Arizona train with 500 men passed through Kansas City 11 o'clock (Tuesday) to night. Received great welcome in middle west and from Red Cross throughout trip."

"Men are all well and in the best of spirits. Will reach Fort Bliss Thursday afternoon about 3. Please give this to the press and have published throughout the state."

A complete list of the Arizona men on their way to Fort Bliss for demobilization is appended hereto for the information of the friends and relatives of the men.

Do you know the comfort, cheer and after-glow of fine tea?

There is no other drink like it; it gently stimulates and cheers, but makes no demand upon the digestion.

It is a royal drink, and yet, next to water, is the cheapest of all—1/3 cent for a cup of fine rich-flavored invigorating satisfying tea!

Schilling Tea is the fine practical economical tea of this country.

There are four flavors of Schilling Tea—Japan, Ceylon-India, Oolong, English Breakfast. All one quality. In parchment-lined moisture-proof packages. At grocers everywhere.

## THOMAS CAMPBELL

William Flynn was sentenced to serve not less than 5 nor more than 7 years in the state prison at Florence by Judge Stanford yesterday, before whom Flynn pleaded guilty to the charge of attempted robbery.

Flynn's case was first before the juvenile court, then transferred to the criminal court only to be returned to the juvenile court because of the defendant's age and back again to the criminal court when Judge Stanford took into consideration the nature of the crime and the past record of Flynn.

"Because of the reason of the many crimes committed I do not consider this a case for the juvenile court," said the court in pronouncing sentence, adding that he did not believe a defendant with the career of Flynn was fit to be committed to the Industrial School.

# ATTORNEY GENERAL GIVES HIS OPINION ON SENATE BILL 90

Attorney General Wiley E. Jones has issued his opinion on the construction of Senate Bill 90, on the request of the state auditor. The bill is one restricting the expenditure of state funds, and it had been feared that its provisions might very seriously embarrass the administration of the number of state departments, particularly those operating under so-called continuing appropriations.

The attorney general, in the matter of continuing appropriations, says that "Senate bill 90 does not seem to affect statutory annual appropriations, nor does it affect any other appropriations that expire June 30, 1919."

The biggest department of the state that is at first feared would be curtailed by this bill is the tax commission, but it issued a statement based upon the opinion of Attorney Will H. Ryan, to the effect that it did not believe its work would be affected, and this is further strengthened by the opinion of the attorney general.

"From the language used it will be seen that the expenditures are limited to the amount specifically appropriated," says the opinion. It states that this interpretation was evidently intended by the legislature when they passed a supplementary appropriation to the school funds of \$125,000, which is equivalent to the annual income of the schools from state land rents.

In the matter of highway department funds the opinion states, "I would state also that the road fund designated by the act is separate from the general fund and is not a part thereof, as it is raised by taxation for the specific purpose as a road fund. When the unexpended balance from the road fund may revert to the general fund is a question to be determined later when it arises."

# SEEKS \$500 DAMAGES FOR AUTO COLLISION

Asking \$500 alleged damage to his car as the result of an automobile collision on North Central avenue a few weeks ago, Fred A. Dibble, real estate man, has brought suit against N. Friedman, jeweler. The accident occurred after Mr. Friedman left the private driveway of his Central avenue home and turned out on the boulevard. Dibble claims that he was screened from view by the trees directly in front of his home.

Mr. Dibble claims that the front fenders of his machine were bent and broken, the lamps broken and other damage which compelled him to exchange his car and pay a difference of the amount for which he has brought suit
